

IBSB Recruitment and Contract Renewal Policy

Purpose

The purpose of this policy is to set out the minimum requirements of a recruitment process that aims to:

- attract the best possible applicants to vacancies
- deter prospective applicants who are unsuitable for work with children or young people
- identify and reject applicants who are unsuitable for work with children and young people

Overview

This policy acknowledges that there are UK statutory requirements, that should be followed where possible, in accordance with Romanian Legislation, for the appointment of staff in schools and that these requirements change from time-to-time and must be met. In accordance with this, it is important to review this policy on an annual basis.

Identification of Recruiters

Subject to the availability of training, the school will ensure that all staff involved in recruitment complete and online safer recruitment certification.

Inviting applicants

Advertisements for posts – whether in newspapers, journals, or on-line – will include the statement:

“The school is committed to safeguarding children and young people. All post holders are subject to a satisfactory enhanced DBS disclosure or a Police Check Record”

Prospective applicants

Prospective applicants will be supplied, as a minimum, with the following:

- Job description and person specification
- The school’s *Child Safeguarding Policy*
- The school’s *Recruitment Policy* (this document)
- The selection procedure and timeline for the post
- An application form and a medical fitness declaration form

All prospective applicants must submit a curriculum vitae and application letter, complete an application form if online, a medical declaration form, and provide an recent DBS or CRB (police check), as is appropriate.

Short-listing and references

Short-listing of candidates will be against the personal specifications for the post.

Where possible, references will be taken up before the selection stage, so that any discrepancies can be probed during the selection stage.

Three references will be sought directly from the referee- preferably a previous line manager. References or testimonials provided by the candidate can be accepted directly from the referee.

Where necessary, referees will be contacted by telephone or e mail in order to clarify any anomalies or discrepancies. A detailed written note will be kept of such exchanges.

Where necessary, previous employers who have not been named as referees will be contacted in order to clarify any anomalies or discrepancies. A detailed written note will be kept of such exchanges.

Referees will always be asked specific questions about the candidate's:

- ability to teach to a high standard
- ability to work as a member of a team
- level of professional conduct
- attitude to work and whether they were a positive influence on others
- suitability for working with children and young people
- any disciplinary warnings, including time-expired warnings, and warnings that relate to the safeguarding of children
- the candidate's general suitability for this post.

The school maintains referee confidentiality at all times. No feedback on references will be provided to applicants and interviewees.

In situations where the teacher is not currently teaching, IBSB will contact the last school for a direct reference. IBSB will also contact the principal directly in situations where a oral reference may be required.

The Selection Process

The selection process will be determined by the nature and duties of the vacant post; however, all vacancies will require an application, followed by an initial interview of short-listed candidates with the Head of School, with a second interview of a reduced short list of candidates with a panel of staff including the Head of School, Deputy Head of School, Head of Primary/Secondary, and Head of Department where appropriate. For Senior Leadership Team appointments, the Executive Director will join the final interview panel.

Interviews will always be by telephone or Skype in the first stage. If candidates are in the country, they will be invited for a face to face interview in the first stage.

Candidates will always be required:

Where a DBS check has not been completed before the start of teaching, the Head of Primary/Secondary must be informed to ensure that procedures are followed regarding child safeguarding until the DBS check has been completed.

Upon arrival the school will apply for a work permit for all staff from outside Romania.

Who is involved in the interviewing and selection process?

Depending on the post advertised, the following members of staff will be involved in the selection and interviewing process: Head of School, Deputy Head of School, Head of Primary/Secondary School and Head of Department.

At the time that candidates are shortlisted, referees will be contacted. Candidates will be informed of this procedure at their first interview.

The Head of School and Executive Director will have the final decision on the appointment of any candidate after the consultation of all other members of staff involved in the interviewing process.

Probation Period

All appointed members of staff will have to pass a three month (1 term) probation period. A letter will be issued by the Head of School to all members of staff, stating if the probation period has been passed or not. The probation period will extend for middle management and senior management positions depending on the role, for up to one year.

Internal Regulations

In addition to signing your work contract you will also be asked to sign the internal regulations when you arrive at IBSB, before the school year begins, as part of the work regulations in Romanian. The internal regulations stipulate all the expectations in regard to work conditions and should be referred to at any point when you are unsure of the expectations in regard to work. The Internal Regulations will be updated each year and you will be required to sign them at the start of each year.

Induction

All members of staff who are new to the school will receive induction training that will include reviewing the school's Child Safeguarding related policies and guidance on safe working practices.

Regular meetings will be held during the first 3 months of employment between the new employee(s) and the appropriate manager(s) and mentors.

Contract Renewal

Your initial contract will generally be a two year contract for general teaching staff, and a three year contract for Senior Leadership. When you are in the final year of your contract you will be invited to reply to an email sent in December to confirm whether you intend to return for an additional year. You will be required to reply stating your intend before you leave for the Christmas break.

In January you will be asked to sign a contract for the following year. For general staff, contracts will be renewed annually. For Senior staff contracts will be renewed for a period of three years unless otherwise agreed. This will take place in the Second week of Term 2a. Once you sign this contract the school will not actively recruit for your position. If you change your decision at any point after signing your contract you will automatically forfeit one month of your summer pay to cover the cost of placing an ad in TES or using a recruitment agency.

In situations where contracts are not renewed, staff, as a part of the *Capability Procedure* within the *Staff Appraisal and Capability Policy*, will have been informed in writing prior to the renewal period of any situation leading to the possible nonrenewal of contract and will have been offered support in order to correct any problems identified through the Performance Review process.

Where a member of staff has been removed from their position as a result of breaches of standard child safeguarding practice, the school maintains the right to inform the appropriate authorities (Refer Child Safeguarding Policy) of the circumstances relating to their dismissal and will take action to do this within a maximum period of one month from the time of dismissal.
