## Y10 IGCSE English 2<sup>nd</sup> Language Exam

*Deferment of exam to November 2020*

Dear Parents,

I am writing to inform you that after much thought and discussion, the school has decided to defer Year 10 student entry for the May/June English 2<sup>nd</sup> Language Exam to the autumn session. There will be no additional fees as the exam will simply be deferred to the October/November session.

The government's decision to keep schools closed this year means that we cannot collect sufficient evidence to accurately allocate grades. By moving their exam to the autumn session we are providing students the very best opportunity to achieve the results we know them to be capable of.

In the meantime, we will keep moving forward with our English First Language programme online. Mr Ennion and I are both very pleased with the way the students have settled down into the online learning environment and continue to make steady progress.

I would like to take this opportunity to thank you all for your support during this challenging period and to say that we look forward to the time when we are all back in the classroom!

Any questions regarding this situation, please feel free to email me directly.

Sincerely
